apply some oil or some lubricant

warm up our lymph ducts

put your old fingers inside your collarbone

apply a little bit of pressure around your temples

place it at the outer corner of my eyes

apply them on either side of my eye

help you with any puffiness around your eyes

improve dark circles around your eyes

massage our nose

push towards the bridge over your nose

push towards the inner corners of your eyes

place one of my hands just on this side of the face

press my fingers just on either side of my nose

hold this position for about three seconds

placing your elbows on the top of the table

place the basis of our hands lower around our mouth

tightening your jaw getting rid of any double chin toning

slide down the neck towards our collarbone

place my fingers in the middle of my forehead
